In Montana, one in five children under age 6 live below the Federal poverty level. To help battle poverty in school children in the Bitterroot Valley, The Greater Ravalli Foundation was formed.

The Greater Ravalli Foundation seeks to financially support the growth and development of Ravalli County's public education system by addressing three specific needs, which comprise the basic essentials of daily life in Ravalli County:

- Education – science labs, computers, book
- Scholarships – all ages and abilities
- Sustenance – meals, clothing, jackets and boots
